United Fresh
PRODUCE ASSOCIATION

Advertising Opportunities

Inside United Fresh is our new weekly e-newsletter devoted to ***Connecting the Business of Produce***. Sent every Wednesday to more than 5,500 individual United Fresh members, and monthly to several thousand guest readers from around the world, Inside United Fresh replaces the former Friday Week In Review to provide the latest in what United Fresh Produce Association is doing for the Produce Industry: laws and regulations, business opportunities, education and training, food safety, leadership development and executive-level produce education to name just a few service of our services and programs.

Inside United Fresh now offers a monthly advertising opportunity for you to promote what you do best to our readers. Linking your brand with United Fresh demonstrates your commitment to driving this great industry forward, while driving your messaging home! If you have a serious message for the produce industry, ***Inside United Fresh*** provides serious content that is not only opened, but read by leaders across the industry.
